

As required by the Older Workers Benefit Protection Act, this is a listing of the ages and job titles of Tennessee Department of Children's Services full-time employees as of June 1, 2008 who are eligible for benefits under the State of Tennessee Voluntary Buyout Program, as well as full-time DCS employees who are not eligible for program benefits. Certain eligibility requirements for program benefits are contained in the Program document. In addition, in order to be eligible for program benefits, employees must be in one of the DCS job titles and the division and/or region specified below at pages 1 and 2.

**NOTE:** Eligible employees denoted with an asterisk (\*) in the "Eligible" column beginning at page 2 below will be selected for involuntary termination to occur between August 15 and October 1, 2008 in the event they do not apply for the VBP. Eligible employees denoted with a double asterisk ("\*\*") in the "Eligible" column below *may* be selected for involuntary termination to occur between August 15 and October 1, 2008, depending on how many employees in those job titles/classifications apply for the VBP. Involuntary terminations are due to loss of federal funding for targeted case management services; in no event, however, will employees in direct service, caseload carrying positions be selected for any involuntary reduction to occur before October 1, 2008.
